

Flying Tigers Radio Control Model Club Minutes

Meeting date: Mar. 07, 2017

Location: Bunkers Bar, 1950 s. Eber Rd. Holland, OH 43528

Number of members in attendance: 27 Visitors:

Approval of minutes:

Motion was made, and seconded to approve the minutes of the Feb 07, 2016 meeting. Motion Carried

Officers' reports:

- **Commander**

Need someone to step up for the mowing crew because one of our members had to quit until her health is better. If you are interested please see someone on the mowing crew. Bill Warejko said he would fill in. Make sure you get your park pass this year. You will need to cut a slot in so it can be worn with your club card. If you see someone with a park pass and not a member of the club, they are permitted to fly, however you may want to encourage them to join. Please be advised the park is going to enforce their pass this year so if you are flying without it, be prepared to be confronted and asked to quit flying.

Two persons will be needed to travel to Muncie IN to pick up the AMA flight simulator trailer for the float fly at Wiregrass and the fun fly at our field on Aug 5, 6. Gene Myers and Herschel volunteered for this trip. The club will pay for gas used.

- **Vice Commander**

No Report

- **Training**

At this time there are no persons signed up for training so if you want training or wish to be a trainer, please contact Scott via email – scotta8709@aol.com

- **Treasurer**

Treasurer's reports were read and accepted as read.

New budget was proposed and read in accordance with our By-Laws. After discussion, some line items were modified. A motion was made and seconded to accept budget as amended. Motion carried.

Trustees

Is anyone interested in getting a hat? It was suggested a minimum purchase of 12 be made for sale at a later date. John will send out an email listing hats, shirts and so forth of items for sale. We are looking into the possibility of having a raffle for a Honda 2000 generator. The profits from this would be used to cover the cost of renting the AMA trailer. The cost of the generator is about \$1000.00 and we would like to sell twice that amount of tickets. Looking at a \$10.00 ticket price so we would like to see each member sell at least 5 tickets. It is possible we may be able to get a different generator for much less cost and maybe even free so that will be looked into. The retired members are still meeting on Monday morning at 9:00 AM for coffee at Panera's Bread.

Show and Tell:

Nothing to see here folks.

Old business:

No information on the park building new start-up stands. We will try to find out. Remember the Weak Signals Expo on the 7th, 8th, and 9th.

New business:

It is time to get the batteries out for the mowing equipment to make sure there are no surprises when the time comes. Maybe someone should look to make sure our equipment is still in the garage.

The park system would like for us to be involved with different events this year. At this time they are; Aug 5, a Float-Fly at wiregrass, Aug 6, a Fun-Fly at Westwinds. For the fun fly we will need plenty of trainers and other helpers to assist on this event. On Aug 26, 27 will be an open R/C boating on every pond and we may be flying from several different ones. On Oct 13, 14 they are having a Spook-tacular event at Westwinds. We are asked to have a night fly. On the 13th it will be from 6PM to 11 PM and on the 14th it will be from 2 PM until 11 PM. The park will provide lighting for the runway so add some light to one of your planes and fly in the dark.

The park has asked for some cute name for the Float Fly and the Fun Fly so if you have one let Tom know.

Membership tags were available for pickup at the meeting. If you did not pick yours up they are at the TNT shop. They will be available at the next meeting and any that are not picked up after that will be mailed to you.

Adjournment: The meeting was adjourned at 8: 05 PM.

C. Eugene Myers
Secretary
Flying Tigers R/C Model Club
