The Commander sent a grant request to AMA for our open house event The AMA sent a check for \$300.00 to help defer the cost of the simulator. We requested a grant from the Metro Parks and they agreed to pay \$350.00 to help defer more of the cost of the simulator. Some of the other cost will be gas money to Gene Myers for travel to pick up and return the simulator to Muncie and the cost for a sound man (DJ). The park will have food trucks for the weekend events. The two events are Aug. 5th Air and Water show at Wiregrass Metro Park and on Aug. 6th will be the Try and Fly Open house and airshow at our field in Westwinds Metro Park.

Not enough interest in doing a big raffle. Looking for better pricing on shirts and hats. We are checking with vendors to see if we can get an order going. It was suggested if we get a good saying on a shirt front and back that members would be willing to purchase these in a pre order. More on this idea soon. Ray reported about many B-25's meeting in Dayton in honor of the Doolittle raid. This will be the 17th and 18th of this month for those of you interested in more facts contact Ray Foley or Dave Beasley.

While Ray was flying in Florida three bald eagles came flying by and for a moment was flying along with him. Guess you could say Ray was flying with the eagles.

Show and Tell:

Old business:

Terry Starkey told everybody the club equipment is all ready for the year. They spent a Saturday already getting things up and moving.

Herschel asked if Bunkers will be the official meeting place for the club and was told looks that it would be. Everybody is encouraged to try and support Bunkers by buying a soda or adult beverage or snack or dinner. If it works out good the owner may not charge us a thing for the meeting hall.

Park pass applications are still here to pick up if you haven't signed up yet.

New business:

Field Opening will be Saturday April 29th at 10:00 AM. We need to get run up stands out and wind sock up and a road clean up on Geiser Road.

General discussion on our open fly event for the parks is that we should have an age limit of 10 years old.

Adjournment: The meeting was adjourned at 8:02 PM.

Thanks to Tom Kroggel for taking the minutes in my absence.
