Nothing to report

Treasurer – Herschel Feinbatt

Due to Metropark visitors, the Treasurer's report was not read.

Trustees

Will have a raffle after the meeting.

Show and Tell

Nothing to see

Old Business

The TAG event is not finalized at this time as we are waiting on what the AMA may be granting us. Time will tell.

There is some confusion concerning a recent change in our By-Laws. It relates to the officers of the Club having their dues paid and a discount in future dues to those that have or are now serving. The change was made in the February meeting and the wording in question is in the language of "effective in 2018." Since those affected have already paid their 2018 dues to they get a refund?

This may require a re-work of the budget so it was decided to table the discussion until a new budget can be presented.

New Business

Due to the park representatives our meeting order was changed. The park is designing a flip sign to indicate if the tower has been informed we are at the field. The first person at the field will call the airport tower and flip the sign to green. Others arriving at the field will not need to call the tower as long as the sign is green. The last person to leave the field will call the tower and let them know we are finished flying, then flip the sign to red. The park is going to put new chips on the drive this year but will not use tar due to money concerns. They are planning on rolling the field and looking at grading the runway to get rid of tiger lake each spring.

Events – they are not putting on the air show this year which basically says they will not be providing funds for the event however they may provide some advertising. The float fly at Wiregrass is on again this year. We will have another night fly this year. It will be required to wear the park pass again this year.

Adjournment

The meeting was adjourned at 8:05 PM

C. Eugene Myers
