

MINUTES

Flying Tigers Radio Control Model Club

Sept. 04, 2018 – 7:00 PM | Meeting called to order by Tom Kroggel

In Attendance

Number of Members Present - 24

Visitors – 4

We accepted 4 new members into the club tonight. Welcome to our club Carol and Nick Gaffney, Steve Dalton, and Dan Hall.

Motion made, seconded and approved to accept the minutes of Aug. 07, 2018 meeting as written.

Officers' Reports

Commander – Tom Kroggel

We had a float fly and it really went good. It was accepted by the park system and they will let us do it 3 times next year. If anyone is interested in boats , valley hobby sell them for \$100.00.

Upcoming events. This Saturday we are flying a mini-air show for Kim Casmen. (spelling?) She works for the parks and has a group of around 60 people coming out in 3 shifts so let make sure we have some flyers out there. As an added bonus there will be free hotdogs. Starts at 9:00 and different groups will show up about every hour to hour and a half.

The Park tour bus will be at our field on Wed the 5th around 3 PM. If you are not doing anything this would be a good time to be at the field.

Saturday, Sept 15, the park will be closed for flying. There is an archery tournament that day.

Sep 29 will be our picnic with fish, hotdogs, and burgers. We are asking for a \$5.00 donation to cover the cost of the fish. It will start around noon so bring a dish to pass and be there.

Oct 12, 13 will be the next night- fly. This will start around 6:00 PM each night. There will be a bonfire and the runway will have lighting on it. The sky however will be dark.

Vice Commander - John Borton

We Noting to report

Training – Scott Arnett

Training is continuing as necessary. Let Scott know if you want on the list. Some people cannot make the normal Wed night training so work with Scott to schedule weekend training.

Treasurer – Herschel Fienblatt

Treasurer's report for the month of Aug. was read and accepted as read.

Trustees

Will have a raffle after the meeting.

Show and Tell

Nothing to see

Old Business

Question raised, "Anything new on the neighbor and are we successfully staying away from his house?" So far all is fine. Just remember, the north flight boundary is the tree line. For larger size aircraft this will mean making tighter turns when flying in that direction. Sometimes a pilot may not be aware he is possibly past the line so a friendly reminder may be necessary. In the same token if you are advised you may be out of bounds, accept the input and try to stay within the limits.

November elections are soon upon us for Commander, Treasurer, and First Year Trustee. If you are interested in one of these positions in the club please let a trustee know. Herschel has stated he is not going to run again as treasure so we will need a name for the treasurer.

The moving crew will be setting a day to cut the cleats off the tractor tires. It will be done this fall so we can have it ready to roll the field next spring. Let Tom, Terry, or Lenny know if you are interested in helping.

New Business

The Commander talked about an event in Galion, OH on Oct 4th and 5th. It looks like a fun event. If you are interested more information can be found on their web site at <http://eaglesquadronrc.com/pls/apex/f?p=rc:home:0>

Adjournment

The meeting was adjourned at 8:00 PM

C. Eugene Myers
