Officers' Reports

Commander – Tom Kroggel

The Picnic was great. We had a good turnout and delicious food. Our last picnic of the year will be on Saturday Nov 27th. It will be a long bun picnic. As in the past we would like to see members bring their best chili to either eat alone or on a bun. There will be a generator or two for the crock pots. In the past we have had some very good and interesting chili.

Felicia Clark of the Metroparks gave a presentation. She oversees the membership program which provided various benefits. There is a small cost and the money raised is used for kid programs and some of the renovations to the parks.

One benefit is they offer park tours. On a past tour they visited Westwinds and we had people flying at our field. This was the highlight of that tour so she would like us to be part of next year's tours.

Again she said they really appreciate our being there. She opened up a question and answer period. We agreed to make plans for future events next year.

Vice Commander – John Borton

Nothing to report.

Training – Scott Arnett

Still got a few good weeks left so if you want training let Scott know.

Treasurer – Herschel Feinblatt

Treasurer's report was read and accepted as read.

Trustees

Will have a raffle after the meeting. Have tried to get people interested in running for an open office without any luck.

Show and Tell

Nick Gaffney brought his pizza box flying wing. It was made from a Macro's pizza box and even has the grease still on the inside. It flies really fast but at slow speeds it wobbles around due to weight. But none the less it is fun to fly. Cost is around 50 dollars for the electronics, but of course the box is free..

Old Business

The cleats have been removed from the tractor tires. Scott and Rich helped. Many thanks to them. Took about 2 hours to complete. They wanted more help, but it was a nice day and since things went smoothly they just finished up. Now the tractor is ready to pull our roller in the spring. Next year we will need another mower person. Tom K is taking volunteers. This involved mowing two weeks a month. Ray Foley and Gene Myers put their name on the list.

For those of you who were interested in coming down to Galion to check out the Spookfest chili/fly in. The address is 1999 Fairview Road Galion Ohio 44833. Tom K will be there Thursday through Saturday. Come and fly the landing fee is \$10.00. You can join him and AJ Aircraft for some fun. If you doubt on the weather just come anyways. Most of you have my cell number and call and leave message if need be and I'll get back to you. John Borton is going and anyone interested can hitch a ride with him.

Nominations for Treasurer is Scott Arnett and for Commander Tom Kroggel. The vote is at the Nov meeting. If you are interested in one of these positions you can let us know at that meeting.

New Business

John Borton got 1st place in Designer Pro, great job John. Our Night Fly will be Fri and Sat Oct 12 and 13 from 6 to 11 PM. There will be runway lights and a bon fire. Put some lights on a plane and come out for the fun.
