

MINUTES

Flying Tigers Radio Control Model Club

December 04, 2018 – 7:00 PM | Meeting called to order by John Borton

In Attendance

Number of Members Present - 24

Visitors - 2

Secretary Minutes – Gene Myers

Motion made, seconded and approved to accept the minutes of November 06, 2018 meeting as amended.

Officers' Reports

Commander – Tom Kroggel

Not present

Vice Commander – John Borton

We are fast approaching our dues date. Dues should be paid on or before the first meeting on February 05. If you are planning on not renewing your membership please send a notice to the Club Secretary to remain "a member in good standing." For some of us our AMA renewal date is Dec 31 each year. If you have not paid your membership fees, please do so before then. The Secretary will validate if you are a current member in January. He will inform the Treasurer not to accept any dues payment until confirmation of AMA membership. Any persons not current with the AMA by the February meeting will have their name removed from the roster.

If you registered with the FAA before December 12, 2017 your registration has been extended until 2020. One exception is during the time FAA registration was not required, if you applied for a refund, you will need to re-register.

Our regular January meeting falls on New Year's Day. **THERE WILL BE NO CLUB MEETING ON JANUARY 1st**. A vote was taken to move the meeting to January 8th. The secretary will send out notices concerning both meetings.

Park passes will be up for renew but no information on this subject.

Training – Scott Arnett

Nothing to report

Treasurer – Scott Arnett

Treasurer's report was read and accepted as read.

Trustees

Will have a raffle after the meeting.

Show and Tell

Ken Foss has his done and has offered it for sale. It is an Autel Robotics and has about 30 cycles on the batteries. If interested contact him.

Old Business

Tom has advised a night time slot is available for indoor flying at the dome across from Bass Pro. This is in addition to the afternoon. Starting December 14th we will have night flying from 8:00 PM until 11:00 PM We will still have the afternoon sessions from 1:00 PM to 4:00 PM and if you do both I worked out a great deal of \$20.00 for both sessions. If you just fly in each session then it is \$15.00 per session. Tom has a large number of hobby kits in his shop. If you are a builder, this is a great price to find something to build.

New Business

Thank you to Dave Beasley for your assistance and the tool to remove the blades from the brush hog. The main mower has been serviced and ready for next year. The field will be open for the winter so go fly call control tower.

Discussion concerning the new FAA Uas laws and at this time things are not that clear.

Adjournment

The meeting was adjourned at 7:30 PM

C. Eugene Myers
Secretary
Flying Tigers R/C Model Club

Date Approved;
