Show and Tell

Nothing to see

Old Business

Last year the park used our field as a tour stop. A question was raised concerning if they were going to do this again this year. At this time nothing has been heard from the Park. They will be having tours, but maybe not at our field. Will advise if this should change.

The secretary informed the club there are some members that have not renewed their AMA membership. He will keep them on the roster until the first meeting in Feb. (Dues due by then) At which time they will be removed. He will also send a letter reminding them.

New Business

When Tom talked to Jerri Fink and she stated they moved her. She is now located at Oak Opening so if someone needs a permit tell them to go there to the lodge. Her cell phone number is 419 343 3172. She will try to be here at the next meeting but the permits are still being printed and may or may not be ready. If the permits are not completed, Tom will tell her not to come to the meeting.

You will need a 2019 park permit to fly at the field. If you need one contact her at her office in Oak Openings, by cell phone, or through the park's web page. As before you will need to provide your AMA membership card or proof of equal insurance. The park is working on some new regulations but we feel it is concerning a 400 foot ceiling.

Adjournment

The meeting was adjourned at 7:45 PM
