To get a park pass this year, you need to show a valid FAA registration and your AMA card. Jerri Fink is now located at Oak Openings Metropark. To get your FAA registration certificate please visit this webpage: www.faadronezone.faa.gov

Simka Freeman is no longer the supervision at the airport tower and he was my contact. Because he has left it is unlikely we will be having a tower tour this year.

All of your planned event dates were submitted to the park and they have not got back with me.

Vice Commander – John Borton

Old Business

Changes

New Business

Terry went out and checked the field and except for the water everything looked good.

Discussion has been underway to move the meeting night from Tue to Wed. This was basically a request of Wes the owner as he thinks there would be more room for the 6 pm eat and great.

A proposal was introduced to move the meeting day from the first Tue to the first Wed of each month. A signature sheet was passed among the membership and the required signatures were acquired to bring this to a vote at the next meeting. The proposal is attached to these minutes for all to look over. If you cannot make it to the next meeting, and wish to vote, please reply to this email.

That being said, our next meeting will still be on the first Tuesday of March.

Adjournment

The meeting was adjourned at 8:00 PM
