In Attendance

Number of Members Present – 28

Visitors - 1

Secretary Minutes – Gene Myers

Motion made, seconded and approved to accept the minutes of Jan. 08, 2019 meeting as written.

Officers' Reports

Commander – Tom Kroggel

I am sure you have seen the new regulation from the FAA. As of last Feb,25 your FAA registration number must be visible on the outside of your aircraft. Your AMA number is to be on your aircraft too. This is not a new rule as it has been a rule for a long time. Your AMA number can be on the inside, but the FAA number must be on the outside on anything weighing over 8 ounces.

The Club ID Badges are available for pickup at this meeting and will be at the next meeting too. After that they will be mailed out to the remaining members.

It is important the dues are paid on time because the budget is presented at the March meeting and knowing how much dues are collected will help in formulating the new budget. We are looking at a couple of ways to make paying your dues easier. One will be to use Pay Pal through out web page. There will be a small charge of \$6.00 to pay this way. A second option would be to send out a self-addressed stamped envelope. We will keep you abreast of these.

Kathy Starkey joined the club at the end of last month's meeting. Welcome to the club Kathy.

Vice Commander – John Borton

Training – Scott Arnett

Nothing to report

Treasurer – Scott Arnett

Treasurer's report was read and accepted as read.

Trustees

Will have a raffle after the meeting.

Show and Tell

Tom displayed a set of wing bags made by Carol Gaffney. It is made from moving blanket material from harbor freight. A ribbon was sewn around the edges with a carrying handle. The price has not been determined.

Old Business

Motion to move meeting from the first Tuesday to the first Wednesday of the month passed by 27 votes. The current By-Laws will be updated to reflect this change. Meeting notices will be sent out on Monday rather than Sunday. We have two meetings before our presentation at the Toledo Express Airport on May 18, 19. We will need a few sims and some static display aircraft. It will be in the hanger at the west end of the runway. More information will follow for this event.

New Business

The week signal show is next month. This will present a problem as our monthly meeting is the same night as the set-up night for the show. Because many of our officers and regular members are members of the Weak Signals, they are required to be at the set-up. For this reason, the April meeting will be on the second Wed.

Treasurer presented the budget for 2019 budget and after some discussion and clarification, it was accepted.

Adjournment

The meeting was adjourned at 7:50 PM
