

MINUTES

Flying Tigers Radio Control Model Club

Apr. 10, 2019 – 7:00 PM | Meeting called to order by Tom Kroggel

In Attendance

Number of Members Present - 32

Visitors - 1

Secretary Minutes – Gene Myers

Motion made, seconded and approved to accept the minutes of Mar. 06, 2019 meeting as written.

Officers' Reports

We would like to welcome our newest member, Hannah Hartigan, into our club.

Commander – Tom Kroggel

One thing he wants to mention is, if you are a member of the club please wear your club badge when flying at the field. All the dates for the float flies, night flies and picnics have been approved by the parks. (See at bottom of minutes for list of dates.) On Sept 14, Westwinds flying field will be closed for an archery tournament. This should not be an issue as we are doing a float fun fly at Wiregrass on that day.

We are planning on setting up a course for the FPV drones on the east end of the runway near the archery targets. At this time we do not see an issue concerning landing or taking off. Their gates are not that tall and should not be in the way. The time frame of the FPV drone flying will be on Saturday or Sunday afternoons. We will see after they are set up and changes may be necessary.

He brought a combat plane that can be purchased for \$40.00 assembled without motor etc. With everything it is \$100.00. These are \$28.00 as a kit from Flight Test. He would like to start a combat session this summer. See him for more information.

Vice Commander – John Borton

We have been kind of fluid in our meeting dates but starting next month they will be on the first Wed of the month. As a reminder on May 18 & 19 from 9:00 AM to 4:00 PM will a static display and provide flight simulators for the Toledo Aviation Center at the Toledo Express Airport. This is located in a hanger at the far the west end of runway.

He saw a lot of club members at the show this year and my Pietenpol Air Camper came in second. I will not be at the meeting next month as I will be showing it again top gun.

Training – Scott Arnett

There are a few people that are still on the list from last year and if any want on the list let him know. Most of the training will be on the weekends.

Treasurer – Scott Arnett

Treasurer's report was read and accepted as read.

Trustees

Will have a raffle after the meeting with some great stuff.

Show and Tell

Nothing to see

Old Business

Question raised about getting the field rolled this year and it is now 2/3 done

New Business

Discussion on how the ETOC turned out.

Recker Road put in a PETROMAT Propex GeoSolutions fabric mat runway and it may be something we may want to look at. However this will need to be approved by the parks. Motion made to investigate and report back. The commander will assign this individuals to examine and report back.

Adjournment

The meeting was adjourned at 7:45 PM

C. Eugene Myers
Secretary
Flying Tigers R/C Model Club
