

MINUTES

Flying Tigers Radio Control Model Club

May 01, 2019 – 7:00 PM | Meeting called to order by Tom Kroggel

In Attendance

Number of Members Present – 24

Visitors - 0

Secretary Minutes – Gene Myers

Motion made, seconded and approved to accept the minutes of Jan. 08, 2019 meeting as written.

Officers' Reports

Commander – Tom Kroggel

The Meeting was held at the field as a wedding was at our meeting place. Some confusion as to the day of the month.

Rain, Rain, Rain and the field is very wet. Puddles in the pits and everywhere and the grass is high due to not being able to mow wet grass. This park is a wet lands so what can we expect with the amount of rain we got in April. If you want to fly call me and we can use weak signals field.

Reports are this is going to be a bad year for ticks so bring a spray and examine yourself when you get home.

Saturday the 25th will be our first picnic around 12 noon. The club will provide hot dogs, chicken etc. Club members are encouraged to bring a dish to pass.

Vice Commander – John Borton

Not present

Training – Scott Arnett

If you want trained let me know via email (scott91273@netscape.net) We will not be having our Wednesday night training but will be during the weekends. We need trainers so if interested let me know.. Mr. Poolos soloed at the indoor event. Congratulations to him.

Treasurer – Scott Arnett

Treasurer's report was read and accepted as read.

Trustees

Will have a raffle after the meeting.

Show and Tell

Matt brought a F-17 jet with as3x and safe mode. He said the videos seem to look like it takes off from grass or hand toss easily. His only modification was the nose wheel.

A plane with lights for night flying was shown. The lights can be purchased at Hobbyparts for \$20.00 dollars shipped.

Old Business

On May 18 19 we have an event at the aviation center at Toledo Express Airport. We will set up on May 17 at 5:00 PM. We need to have as many airplanes for a static display and individuals to man the event as possible and if you have a simulator bring it too. There will be various full scale planes on display A discussion was talked about.

We talked a small bit about the fabric for the runway. As it stands now it would appear the park is not in favor of that. We will still keep working on installing this in the future.

New Business

A question was raised about a road cleanup, but with the water we will need to wait and play that by ear. We may do it on a picnic day.

Adjournment

The meeting was adjourned at 7:50 PM

C. Eugene Myers
